

## APPEAL

It has been noticed that various groups and organizations have put up posters and banners near entrance examination centers claiming to offer helpline on several aspects of admission. It is for the general information of the public and particularly applicants that the University has not authorized any agency or group to provide any form of helpline nor is such intervention permitted. The admission and provision of Hostels will be strictly in accordance with the admission criteria and procedure. Applicants are hereby requested to note claims made in such posters are misleading Intervention by any person with regard to any applicant by any group will automatically disqualify the candidate.

All applicants are once again requested and reminded that the admission to various courses and hostel accommodation is governed by established and extant rules and regulations. The University has a duly constituted grievance committee for dealing with all grievances of applicants. This grievance mechanism is the only authorised channel.
