THE UNIVERSITY – A PROFILE

The University of Hyderabad, *a premier institution of post-graduate teaching and research* in the country, was established by an Act of Parliament on 2nd October, 1974 as a Central University. The serene campus of the University, located on a sprawling 2300 acres, on the old Mumbai Highway, Gachibowli, provides the right learning ambience.

The University also has a city campus “*The Golden Threshold*”, the heritage building of the late Sarojini Naidu which was bequeathed to the University by her daughter, the late Padmaja Naidu. The UGC has identified the University as one of the five exclusive Universities in the country with *Potential for Excellence (UPE)*, and provided special funding for all its overall development for a period of five years (2002-07). The UPE programme of the UGC has been successfully completed with the sanctioned amount of Rs. 30.00 crores during this period. The final report of various projects under UPE has been sent to UGC and the University is hoping to be declared “University of Excellence” with increased budgetary support by the UGC.

The University was awarded the top grade ‘A’ by the National Assessment and Accreditation Council (NAAC). NIRF, MHRD, Govt. of India ranked the University 4th among the Universities in India for the year 2016. In January 2015, the University of Hyderabad received the Visitor’s Award for the Best Central University in India, awarded by the President of India. The University has also been rated by the National Information System for Science and Technology (NISSAT) of the Department of Scientific and Industrial Research (DSIR), Govt. of India as the only University under the “High Output-High Impact” category among the top 50 institutions in India with applications in citation - index journals.

Schools of Study

The University has twelve Schools of Study - School of Mathematics and Statistics, School of Computer and Information Sciences, School of Physics, School of Chemistry, School of Life Sciences, School of Humanities, School of Social Sciences, School of Economics, Sarojini Naidu School of Arts and Communication, School of Management Studies, School of Medical Sciences and School of Engineering Sciences and Technology. All the Schools of the University are located on the main campus. While some Schools are single-discipline Schools, others have Departments and Centres attached to them. There are some stand-alone academic centres. There has been a special emphasis on promoting inter-school and interdisciplinary teaching and research in the University. The University also offers professional Post-Graduate Diploma Programmes in the Distance Mode especially in interdisciplinary subjects. The University also offers professional Post-Graduate Diploma Programmes in the Distance Mode especially in interdisciplinary subjects.

Multi-Cultural Learning

Under the Study in India Programme (SIP), the University offers international students, both short term and semester courses on various aspects of Indian Society – its heritage, history, social, cultural, economic and political aspects and Indian languages etc. This offers a unique multicultural learning opportunity to the students. In this regard, the University has Memoranda of Understanding with several American Universities that send students regularly for the programme.

School of Management Studies All the Schools of the University are located on the main campus.

Capacity Building

In addition, Human Resource Development Centre has been functioning on the University campus for capacity building of teachers in colleges and universities as part of the New Education Policy (1986). The Centre organizes orientation and refresher courses for college and university teachers within and outside the University.

Distinguished Faculty

The University has over 400 highly qualified and talented Faculty, many of whom are recipients of national and international awards and honours. The honours and awards received by the faculty include: Shanti Swaroop Bhatnagar Award, Ramon Magsaysay Award, Alexander von Humboldt Fellowship, Padma Shri and Padma Bhushan Awards, Leverhulme Fellowship, Third World Academy of Sciences (TWAS) Award, Fulbright Visiting Professorship, Shastri IndoCanadian Institute Faculty Research Fellowship, Charles Wallace India Trust Short Term Fellowship, ACLS Award, Membership of American Linguistic Society, Sahitya Academy Award for Literature and Translation, Visiting Scientist/Professor positions (including exchange programmes), Fellowship of the Royal Society of Chemistry (FRSC), British Council and Commonwealth Staff Fellowship, Fellowship of Royal Society, Editorship of reputed international journals and membership of prestigious organizations.

The Faculty regularly undertakes teaching and research in India and abroad. They are on the editorial boards of many reputed journals and serve on important national committees and are members of official delegations of the Government.

Research Funding

In the last three decades, the University Faculty have published over 18,000 research works including over 1300 books, many of which have been acclaimed by the academic community and have proved useful for teaching and research programmes. The University Faculty has attracted large research funding for individual research projects – from various national and international agencies and large industrial houses.

Academic Programmes

Over the years, the academic programmes, which enroll students through a competitive process conducted all over the country, have flourished well. The presence of students and teachers on the campus, drawn from diverse cultures and various languages from all over the country and abroad, makes the University a truly cosmopolitan institution of higher learning.

Infrastructure Facilities

It also has a wide range of facilities, a well-stocked Digital Library which is enhanced by School and Department holdings from donations and project grants – the latest computer technology, attractive and comfortable hostels set in an aesthetically pleasing environment conducive to study, sports complexes, conference halls, well-equipped laboratories, and a sense of community on its self-contained campus. These facilities are well supported by a strong and dedicated Administrative staff.

Hyderabad – Its Uniqueness

Founded by Quli Qutub Shah in 1591, this large metropolis is unique in its rich architectural glory and blend of diverse linguistic, religious and ethnic groups and an ideal place indeed to locate a Central University. The weather for most part of the year is pleasant except for the months of April and May when the temperature is likely to go up to 40°C. The intellectual climate is vibrant. Hyderabad is home for nine major Universities, several research institutions, laboratories and libraries.

Such of the candidates who want to avail this facility should submit a latest income certificate issued by a competent authority for the year 2019-20 (1.4.2019 to 31.3.2020) and a certificate from the Principal/Head of the Institution last studied that the candidate was in receipt of GOI Post-Metric Scholarship in the course last attended and passed.

Reservation of Seats

1. SC and ST candidates

In accordance with the policy of the Government of India and the guidelines of the University Grants Commission, 15% of seats are reserved in each course for candidates belonging to the Scheduled Castes and 7.5% for those belonging to the Scheduled Tribes, with a provision for inter changeability between these categories, wherever necessary. *Candidates should submit along with the application a copy of the certificate of their caste/ tribe from a Revenue Officer not below the rank of Tahsildar / Mandal Revenue Officer.*

2. OBC candidates

In accordance with the policy of the Govt. of India and the guidelines of the University Grants Commission, 27% of the seats in each course are reserved for OBC (non-creamy layer category) candidates.

3. Differently Abled Candidates

Up to 5% of seats on approved intake in each course are provided as supernumerary seats for the physically challenged candidates having minimum degree of disability to the extent of 40% provided that their physical disability does not come in the way of pursuing the course. Physically Challenged candidates are required to

submit a certificate from a Civil Surgeon of a Govt. Hospital indicating the extent of visual/physical disability and also the extent to which the disability hampers the candidate in pursuing her/his studies.

The candidates under this category may have to undergo a fresh medical examination, if so prescribed by the University, before being admitted.

4. Wards of the Defense personnel

Up to 5% of seats on the approved intake in each course are provided as supernumerary seats for the wards of **Defense personnel**. The candidates should enclose a copy of the certificate issued by a competent authority in support of their claim without which their claim will not be considered.

Weightage for distinction in sports/cultural activities:

With a view to encourage admission of candidates with an excellent record in Sports and Cultural activities, the University provides a weightage of up to two marks in the entrance examinations - two marks for distinctions achieved at national level and one mark for distinctions at the state level (but not both), for admission to MBA programme, provided the candidates satisfy the prescribed qualifications for admission. *(Candidates seeking weightage for distinctions in sports / cultural activities must furnish along with their applications, attested/Xerox copies of certificate/s in support of their claim, failing which no weightage would be considered).*

Admission of foreign nationals:

Foreign nationals will be admitted over and above the approved intake in each course up to a maximum of 15% of the sanctioned seats in each course, depending upon the availability of adequate infrastructure. Foreign nationals seeking admission through ICCR or other governmental agencies may apply to the University in the prescribed form through the respective bodies. However, self-supporting foreign nationals may apply directly to the University for admission in the prescribed form latest by **30th April, 2019**. The University may consider admission of foreign nationals '*in absentia*', on the basis of their desire "to be considered *in absentia*" if they possess a valid foreign passport at the time of applying to the University, irrespective of from where they have passed the qualifying examination, subject to the condition that they are found suitable for admission by the Admission Committee of the concerned School / Department / Centre.

Those who have passed the qualifying examination from Universities outside India should enclose with their application, copies of relevant certificates, marks sheets together with the English version of such copies duly attested, if they are in a different language.

Foreign nationals seeking admission to the University will be required to produce a medical certificate of fitness from a recognized hospital in their country. Those offered admission may also be required to undergo a comprehensive medical examination as prescribed by the university. ***Proficiency in English is a pre-condition for admission of foreign nationals.*** No foreign national will be admitted without a student visa.

There is a different fee structure for foreign nationals, as indicated below. Accommodation in the University hostels can be made available, if required.

Their selection for admission would be based on:

- First class (60% or above or its equivalent) marks in a Bachelor's degree in any field from an officially recognized University/Institution in their country of residence;
- Proof of proficiency in English (score in TOFEL or equivalent test or certification);
- Statement of purpose; and
- At least two academic references

Interested students should submit an application with full personal details, summary of academic records from high schools onwards, attested copies of mark-sheets and TOFEL (or equivalent) scores, a brief (200 to 300 words) statement of purpose for pursuing the course and names and contact addresses of at least two referees, by April 30, 2019 at the latest. They should also ensure that, if granted admission, to join the programme by mid-July 2019 at the latest.

Non-Resident Indians (NRIs): NRIs will also be considered for admission in different courses in accordance with the rules in vogue. NRIs may apply directly to the University for admission in the prescribed form latest by **30th April 2019**. They may be considered for admission, if they are found suitable for admission by the Admission Committee of the concerned School / Department / Centre in accordance with the rules. Candidates who take admission under this category shall pay the tuition and other fees as payable by foreign nationals.

Fees payable by the Foreign National/NRI students (for MBA): At the time of admission foreign nationals/NRIs are required to pay in US \$ 7,260 per semester those who are from developed countries and US \$ 3,630 per semester those who are from developing countries.

Reservation of seats: Of the total number of seats in the hostels, 22.5% are reserved for candidates belonging to S.C/S.T. and 3% for Differently Abled students.

Mess facility attached to different hostels is completely managed by the inmates. The average vegetarian monthly mess bill (Breakfast, Lunch and Dinner) for the girls works out to about Rs.2000/- and for boys Rs.3000/-.

Details of guidelines for residence of students at University Hostels would be provided in the form of Hostel hand Book at the time of admission. (Contents of the hand book can be seen at University's Website also).

Students Welfare

The office of the Dean of Students Welfare looks after the welfare of the students with active support from the elected representatives of the students, faculty and administration. A Student Counselling Service by professionals is available in the University Health Centre. In case of any student requiring parental guidance, his/her parents will be informed accordingly.

There is a Students' Union which caters to the students' interests and promotes cultural and sports activities. The elections to the Students' Union are conducted according to the recommendations of the Lyngdo Committee.

Discipline among students

All powers relating to discipline and disciplinary action in relation to the students of the University are vested in the Vice-Chancellor. He may delegate all or any of his powers as he deems proper to any of the officers of the University specified by him.

Ban on ragging on the campus: Ragging, use of drugs, drug trafficking and eve teasing, which are criminal offences, are strictly forbidden in the University and persons found indulging in such activities will be subjected to strict disciplinary and other action as per the law of the land. Indulging in any criminal activity within or outside the University and any physical violence against fellow students and fellow residents will not be tolerated and will attract stern disciplinary action including rustication. As per the orders of the "Hon'ble Supreme Court of India" if any incident of ragging comes to the notice of the authority of the University, the concerned student should be given liberty to explain and if his explanation is not found satisfactory, the authority would expel him/her from the University.

Committee on violence against women and sexual harassment: As suggested by the UGC, a Committee has been constituted with Dean, Students' Welfare, Chief Warden, Women faculty members, Women students, Students' Union and Teachers' Association as members, to combat the menace of violence and sexual harassment against women on the campus.

Games and Sports

The University campus is the centre for games, sports, recreational activities, and for several competitive programmes. There is a multipurpose playground on the campus for cricket, football, volleyball, ball badminton, tennis, basket-ball and athletic events. Modern facilities for physical conditioning are available at the New Indoor Gymnasium along with facilities for Table Tennis, Shuttle Badminton, Chess and Caroms. Both intramural and extramural competitions are planned in such a way that students are able to participate regularly in games and sports activities throughout the year.

The University is a member of the Inter University Sports Board of India and its teams participate in zonal and all India Inter University tournaments regularly.

Centre for Modelling Simulation and Design (CMSD)

In this era of science-driven-engineering, the role of scientific research, based on modeling, simulation and design, is of paramount importance. Countries and Institutions across the world are gearing up to avail the challenging opportunities provided by this new tool. The primary requisite in using the third avenue of research for solving complex problems is a working, state-of-the-art High Performance Computing (HPC) center.

With the substantial funding and approval of the UGC, the University of Hyderabad has established a Centre for Modeling Simulation and Design (CMSD) which was fuelled further by generous support from DST under its FIST programme.

CMSD became operational from its new premises during December 2004. CMSD has been accorded an Academic Status by the University and Department of Science & Technology recognized CMSD as National High Performance Computing Facility.

Currently, CMSD is a 2 Tflops computing facility and is expected to grow to a 7 Tflops, by positioning a 500 node cluster, by the end of this year.

Placement Guidance and Advisory Bureau (PGAB)

To facilitate the recruiting process of the students for final placements, the University of Hyderabad has started the Placement Guidance and Advisory Bureau.

Financial Support

Note: Payment of the University scholarships may be made only after announcement of the list of selected students. However, payment of scholarships awarded/funded by other agencies like UGC, CSIR, etc. can be made only after receipt of the sanction orders and scholarship amounts by the University.

TEACHING AND EVALUATION REGULATIONS

Special Features

The special features of the University's academic set up include a favorable teacher student ratio (1:9); a flexible academic programme that encourages interdisciplinary courses and research. The assessment, including projects and examinations, is continuous and internal.

Semester System

The courses are organized on the semester pattern. The academic year consists of two semesters of 16 to 18 weeks each.

Continuous Internal Assessment

The examination system of the University is designed to test systematically the student's progress in class, laboratory and fieldwork through continuous evaluation in place of the usual "make or mar" performance in a single examination. Students are given periodical tests, short quizzes, home assignments, seminars, tutorials, term papers in addition to the examination at the end of each semester. The final result in each course is calculated on the basis of this continuous assessment and performance in the end semester examination. The evaluation regulations are given below.

Attendance and Progress of work

Students are required to attend at least 75% of the classes actually held in each course and at least 60% in the repeat course / subject and participate, to the satisfaction of the Department / School, in study seminars, sessions and practicals as may be prescribed. The progress of work of the research scholars and their attendance is regularly monitored by their supervisors/departments and the names of the defaulters are removed from the rolls. Absence from classes continuously for 10 days and more will make the student's name liable to be removed from the rolls of the University. Absence from the classes on medical reasons should be supported by a medical certificate from a qualified registered medical practitioner which has to be submitted soon after the recovery.

Evaluation Regulations

1. The performance of each student enrolled in a course will be assessed at the end of each semester. The University introduced the Grading System of Evaluation from 2004-05 for all P.G., Advanced P.G./P.G.Diploma; M.Phil. M.Tech. and 5-year Integrated PG courses. There will be 7 grades; A+, A, B+, B, C, D and F on 10 point scale with grade points 10, 9, 8, 7, 6, 5, 0 respectively.

The School of Management Studies adopted the following conversion formula:

Grade	Grade Points	Range of % of Marks
A+	10	90 - 100
A	9	80 - 89
B+	8	70 - 79
B	7	60 - 69
C	6	50 - 59
D	5	40 - 49
F	0	Less than 40

- The final result in each course will be determined on the basis of continuous assessment and performance in the end of semester examination which will be in the ratio of 40:60 in case of theory papers and 60:40 in laboratory courses (practicals).
- The mode of continuous assessment will be decided by the School Board concerned. The students will be given a minimum of three units of assessment per semester in each course from which the best two performances will be considered for the purpose of calculating the result of continuous assessment. The record of the continuous assessment in such a form as the School Board may decide will be maintained by the School/Department/Centre.
- At the end of semester examination, the answer scripts will be evaluated and the grades scored by each student in each course taken by him/her will be communicated to the Head of the Department for onward transmission to the Office of the Controller of Examinations through the Dean concerned. Wherever required, the Dean and/or the Head of the Department along with the teacher concerned may moderate the evaluation.
- (a) Students must obtain a minimum of 'D' grade in each course in order to pass in the Post Graduate, Post-Graduate diploma courses. Students who obtain less than 'D' Grade in any course, may be permitted to take the supplementary examination in the course/s concerned within a week after the commencement of the teaching of the next semester. Appearance at such examinations shall be allowed only once. Those students who get less than 'D' grade in the supplementary examination shall have to repeat the course concerned or take an equivalent available course with the approval of the Head of the Department/Centre and the Dean of the School concerned.

(b) In order to be eligible for award of medals/ prizes and ranks etc., the students should complete the course within the prescribed duration. The grades obtained by the student in the supplementary/ repeat/ improvement examinations shall not be taken into account for the award of medals/prizes/ranks etc.

6. No student of PG/PG Diploma, shall be permitted to move to the next semester, if she/he has a backlog of more than 50% of the courses at any stage including the previous semesters, subject to a maximum of two courses where the number of the courses in a semester are four and a maximum of three courses where the number of courses in a semester are more than four.
7. Students who are permitted to appear in supplementary examinations in course/s in accordance with clauses 5(a) above will be required to apply for taking the examination concerned in the prescribed form and pay the prescribed examination fee by the date prescribed for the purpose by the University.
8. A student in order to be eligible for the award of MBA degree, must obtain a minimum of D grade in each course. The results of successful candidates will be classified as indicated below on the basis of the CGPA:

CGPA of 8.0 and above and up to 10.0	I Division with Distinction
CGPA of 6.5 and above and up to 7.9	I Division
CGPA of 5.5 and above and up to 6.4	II Division
CGPA of 6.0	II Division with 55%
CGPA of 5.0 and above and up to 5.4	III Division

9. To satisfactorily complete the programme and qualify for the degree, a student must obtain a minimum CGPA of 5. There should not be any 'F' grades on the records of any student for making himself/herself eligible for award of the degree.

The division obtained by a student will be entered in his/her Provisional-cum-Consolidated Grade Sheet and in the degree/diploma certificate.

10. No student will be permitted to take a supplementary examination a second time in the same course except in the case of one repeating the entire course.
11. No student of Post Graduate course shall be allowed to continue his/her enrolment for more than two semesters beyond the prescribed duration of the course. While counting the maximum permissible number of semesters before which a student has to complete the programme the "idle semester" (i.e. the semester she/he has to forego for want of instructional facility) will not be counted and it should be limited to one semester only. However, such students have to pay the tuition and other fees for the idle semester also. A student may be permitted to discontinue his/her studies for reasons certified as valid by the Head and/or Dean of the School concerned for a period not exceeding two semesters.

12. The students who are not found eligible to take semester examination and also those who are not promoted to the next semester of the course may be considered for readmission to the concerned semester of the immediate following academic year. Such students should seek readmission before the commencement of the classes for the concerned semester or within a week of the commencement of the concerned semester if they are appearing in the supplementary examinations. Such students are given the option either to undergo instruction for all the courses of the concerned semester or to undergo instruction in only such courses in which they have failed on condition that the option once exercised will be binding on the student concerned.

13. The answer scripts of the semester examinations shall not be returned to the candidates but may be shown by the instructor at the specific request of the student concerned. The result of the continuous assessment of the students will, however, be communicated to the students immediately after the assessment.

14. No request for reevaluation of the result declared in any course will be entertained. However, every School shall constitute a Grievance Committee consisting of 3 or 4 teachers to examine the complaints received from the students of the School regarding their assessment. Such requests for reconsideration from the students concerned should reach the Dean of the School concerned through the Head of the Department within 15 days of the announcement of the results of that assessment.

Note: If a student is not satisfied after consideration of his/her grievance concerning evaluation by the School level Committees, the Dean of the School on a request from the student may refer the matter to the Controller of Examinations for getting the paper evaluated by an external examiner, whose evaluation will be final. The fees for external evaluation in all such cases shall be Rs. 50/- per paper.

15. a) Students absenting themselves after payment of fees from a regular semester examination may be permitted by the University to appear in a supplementary examination of the semester to be arranged by the School concerned. The application for permission to appear in a supplementary examination shall be made by the student concerned in the prescribed form. The application along with the prescribed fee should reach the office of the Controller of Examinations through the Department/School concerned by the date prescribed for this purpose.

b) Students may opt to audit a course within the School or outside provided he/she satisfies the pre-requisites. 75% attendance is required for an audit course for including the same in the additional grade sheet.

Improvement Examinations

1. Students securing 'D' grade in the course of a semester may be allowed to improve their marks in one course in a semester. Appearance at such an examination in the course will be allowed only once. No further opportunities will be given under any circumstances.
2. The appearance at an examination for improvement should take place soon after completion of the examinations for the semester concerned along with the supplementary examinations within a week of the commencement of the teaching of the next semester.
3. For the purpose of determining the Division, the better of the two performances in the examinations will be taken into consideration.
4. The facility for improvement shall be open to all those who want to improve their grade irrespective of the CGPA obtained by them in the examination concerned. However, a student is required to clear all courses of a particular semester in which the student intends to take improvement examination.
5. For the purpose of the award of medals, prizes, and rank, etc., the grades obtained by a student in the examination taken for improvement/supplementary shall not be taken into account. In respect of the tie cases, actual marks obtained will be taken into account for identifying the topper.
6. The grade sheet of a student will indicate the full information of the examinations taken by him/her. Grades obtained in the 1st and 2nd attempts will both be shown in the grade sheets.
7. Application for improvement examination shall be made by the students concerned to the Controller of Examinations in the prescribed form along with the prescribed Examination Fee within a week of the commencement of the teaching of the next semester.
8. Students are permitted to avail themselves of the facility of improvement examinations to a maximum of four courses of their respective programmes as detailed below: one course at the end of first semester, two courses at the end of second semester, three courses (to be taken from 1st & 3rd semesters) at the end of third semester and four courses at the end of fourth semester.

Those students who have completed the course without availing themselves of the improvement facility according to the schedule prescribed by the University may be allowed to use unavailed improvement chances

within a maximum period of six months after completion of the course. Such exams are to be taken when the regular or supplementary/ improvement exams are held.

In addition to the above provisions, the existing evaluation regulations in the University shall be applicable in the other matters, wherever required.

Note: A provision exists for a special supplementary examination in respect of such students who after completion of the prescribed duration of the course are not able to get their degree due to backlogs (a maximum of 2/3) as was notified through the circular No.UH/Acad & Exams/97/ 1885 dated 28.11.1997. However, students having backlogs due to shortage of attendance are not eligible to avail this facility.

Certificates

1. The provisional certificate-cum-consolidated grade transcript will contain the CGPA and the division also. On the overleaf of the same, classification of the results under letter grade system will be given.
2. An additional grade sheet will be given to the students for the courses audited by them without attributing the credits and also the courses taken by them having credits which are not counted for the award of the degree and the credits scored by them for the extra-curricular activities like NSS, literacy programme etc. The audited courses will be included in the additional grade sheet, based on the certification given by the teacher concerned and recommended by the Head of the Department and Dean of the School concerned.
3. In the degree certificate, the division will also be mentioned.

MEDALS FOR EXCELLENCE IN STUDIES

With a view to encourage good performance in studies, the University has instituted several donor medals.

These include: Vasavi Academy of Education Medal for MBA.

SC/ST Medals

The University has instituted medals for securing the first rank in first class among the SC/ST students in various examinations at Master's degree level in the year 1991 – the birth centenary of Bharat Ratna Dr. B.R. Ambedkar.

For the award of the above medals, the topper in the subject concerned should secure first division in the degree and pass all the examinations within the prescribed duration in first attempt. The marks obtained in supplementary/ improvement examination shall not be taken into account.

President of India Medal

President of India Medal will be awarded biennially for a PG student for overall performance to a student adjudged as best for general proficiency including character, conduct, excellence in academic, social service and extra-curricular activities. For this, a weightage of 70% will be given for academic performance after normalization and 30% for other activities. The students must provide the information to the HoDs/Deans for this purpose with documentary evidence from time to time or before they leave the University on completion of the course.

University Medal for Differently Abled Students

The University has instituted a medal for the meritorious student from amongst the physically challenged category from P.G. Courses. This will be awarded annually in the Convocation. The selection procedure for such students will be similar to that of the President of India Medal.
