Date: 22-6-2020

### REVISED NOIFICATION

**Sub:** Revised Academic Ordinances- results declaration of outgoing students – Reg.

**Ref:** Vice Chancellor's approval dated 19-6-2020

In continuation to the Notification dated 19-6-20, the following is clarified:

A) As per revised Academic Ordinances, for the current semester (Jan- June- 20) the following was approved: The continuous assessment is divided into two parts of 25 marks each. The best of the continuous assessment shall be considered for the 25 marks after scaling it. For the remaining 25 marks, it shall be proportionate to the performance of the student in the continuous assessment or 75% of 25 marks whichever is higher. There shall not be any end semester examination. In lieu of end semester examination, 50 marks shall be computed based on the past performance in the program (CGPA) till previous semester.

**All such outgoing students who could not write even one continuous assessment in this semester may submit their request/option to the Controller of Examinations through the Dean/Head latest by 26-6-2020 through email for awarding them “zero” marks in continuous assessment out of 25 marks and declare the result according to above mentioned procedure. The option once exercised cannot be changed.** Those who do not want “zero” in continuous assessment or do not exercise the above option will be allowed to write one continuous assessment when the University reopens and then declare the results.

B) According to the prospectus: *“The PG/Integrated PG students, who after completion of the prescribed duration of the course are left with backlogs are eligible to appear for special supplementary examinations subject to a maximum of two courses where the number of courses in a semester is four and a maximum of three courses where the number of courses in a semester is more than four. Appearance in such examinations shall be allowed only once.”*

**All such outgoing students who have a maximum of two backlogs and are eligible otherwise may submit their request/option to the Controller of Examinations through the Dean/Head latest by 26-6-2020 through email for availing the option of special supplementary examinations (though exams will not be conducted).** In these cases the continuous assessment already evaluated out of 40 marks shall be scaled to 25 marks. For the remaining 25 marks, it shall be proportionate to the performance of the student in the continuous assessment or 75% of 25 marks whichever is higher. In lieu of special supplementary examination, 50 marks shall be computed based on the past performance in the program (CGPA) till previous semester.
