

Instructions to candidates attending PhD (Physics) Interview
on 18 & 19 February 2022

A tentative timetable for PhD (Physics) interview is provided below and also on the University of Hyderabad website. As a candidate may be called for the interview sooner, if an earlier time slot opens up (on the same day), the candidates are advised to keep the entire day for the counseling / interview process to complete or till their counseling / interview process is complete.

The counseling / interview and any related communication will be carried out ONLY through online mode using your registered email / mobile phone number. Offline / in-person interviews are NOT permitted under any circumstance.

The candidate has to upload the certificates and other documents through the *egov* portal (already available in the University website / provided to you) for verification purpose prior to the counseling / interview session.

A Google Meet link will be sent to each candidate via email for counseling / interview process prior to their scheduled time, as mentioned in the table below. The counseling / interview process will begin at 10 AM on both days.

The candidates are advised to attend the interview either from a desktop/ laptop or a mobile device and make sure the electrical power at your end will be stable. The candidates are requested to ensure that they have stable internet connection before joining the interview via video conferencing platform. The candidate will have to keep the video on until the interview is completed. Keep a paper and pen / pencil readily available for the interview process. Each candidate will have to wait for their time to join the interview process via the link given.

The list of faculty members who have vacancies in their research group for PhD students can be seen from the table given below. Candidates are advised to go through the faculty research areas carefully either from the School of Physics website (<http://sop.uohyd.ac.in/>) or using other resources and identify matching research interests prior to counseling / interview.

While all efforts would be made to accommodate the choice of interest of the selected candidates, it has to be clarified that the same is subject to the number of vacancies in the chosen laboratory/group. In situation where there are more candidates than vacancies are available, it will be filled according to candidates' merit and the remaining students will be accommodated in areas where vacancies are available, based on mutual interest.

In case of any issues with internet connectivity or any other matter related to the counseling / interview the candidates are requested to immediately contact the Academic Section of School of Physics via phone (040) 23134400 or email: acadsp@uohyd.ac.in / deansp@uohyd.ac.in.
