

The course M.Tech Bioinformatics, was notified in the Prospectus 2017-18 as the University did not have the approval of AICTE for the said course. However, the University has been pursuing the matter with AICTE. The University is pleased to announce that the course M.Tech Bioinformatics, has now been approved by the AICTE and the University has also resolved to fill the seats based on GATE scores from among the candidates who applied for this course.

The results of M.Tech Bioinformatics have already been notified at the given link. <http://acad.uohyd.ac.in/results/MTBI.PDF>
