

Instructions for candidates attending the PhD (Physics)
Interview from 5th December 2025 (10 AM to 1 PM)

The timetable for PhD (Physics) admission interview is provided below and also on the University of Hyderabad website. All the interviews will be conducted in hybrid mode (off-line/online).

For the offline interview, candidates are required to make their own travel arrangements at their own expense. Candidates allotted to the morning session must report by 9:00 AM, and those scheduled for the afternoon session must report by 1:00 PM at the School of Physics office on the interview day to receive general instructions about the interview process. Candidates must also bring their CSIR-JRF/NET certificate along with any other necessary documents for verification, if applicable.

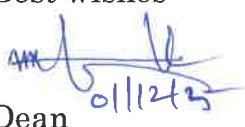

For online interview, the candidates are advised to attend the interview either from a desktop/ laptop or a mobile device and make sure the electrical power at your end will be stable. Interviews will be conducted via Google meet online platform, the link for which will be sent to them by e-mail. Using this link, the candidates are requested to first join for online verification of all their certificates and other documents and online counseling before the interview. **The candidates should join at least 60 minutes before their scheduled time of interview**, (which is already indicated in the table below) onto the counseling session. Once this is done, a relevant link will again be sent via email for the main session.

The candidates are requested to ensure that they have stable internet connection before joining the interview via video conferencing platform. The candidate will have to keep the video **on** until the interview is completed. Each candidate will have to wait for their time to join the interview process via the link. The candidates should also keep a set of writing papers ready so that any derivations can be written and shown the committee using your webcam.

In case of any emergency call Prof. P. Manimaran: Ph.9182638241.
